Scott A. Neilson

Attorney, Shareholder

SERVICES

With over 30 years of experience, I work tirelessly to help my clients navigate complex legal challenges and achieve their goals. My practice spans a wide range of litigation and advisory work, including contract disputes, business litigation, shareholder issues, real estate litigation, insurance issues, asbestos, and product liability litigation. As National Coordinating Counsel for a \$3.5 billion publicly traded company, I provide strategic oversight on litigation matters nationwide, ensuring consistency, efficiency, and cost-effective solutions.

Clients value my ability to analyze multifaceted problems, provide clear advice, and resolve disputes quickly and effectively. Whether handling high-stakes litigation, managing nationwide cases, or offering guidance on liability concerns, I take a pragmatic approach that minimizes risk and protects their interests.

I'm known for my responsiveness, strategic thinking, and dedication to my clients' success. From boardroom discussions to on-the-ground investigations, I dig deep to uncover the facts, craft solutions, and deliver results. My commitment is simple: to work as hard for my clients as I would for my own family.
