

Corporate and Transactions –

Unique Lawyer Opportunity for an Associate interested in:

- Partner track
- Training and mentoring
- Honing skills in a broad range of corporate and transactional practices
- Working with both public and private companies
- Balance complex interesting work with the rest of your life
- Training in business development and professional development

Our boutique business law firm is a **great career step** for big-firm lawyers with some experience who now want a realistic partner track cognizant of lives outside of the office. Continue to see sophisticated, complex, interesting work from both public and private clients.

Ideally seeking an associate with 1-4 years of related experience.

Qualifications:

- Any experience with business, contracts, entity formations, mergers, acquisitions, governance, etc. - before, during, or after law school.
- Strong interpersonal skills
- Strong writing skills
- Resourceful, proactive, and fun!

Actively participate with clients – not a back-room position. Work with a team of experienced, respected professionals. Family-friendly. Reasonable billable hours. Realistic partner track opportunity.

Traits: team-oriented, interested in learning, smart, friendly, good with people, service-oriented.

Unique opportunity to hone skills in the full variety of corporate and transactional practices. Excellent mentors, trainers. Reasonable hourly requirements, hybrid work opportunity.

- Strong comp and benefits package.

Equal Opportunity Employer. BIPOC encouraged to apply.
